Overdose Alert.

Grey Bruce Public Health has been notified of 3 suspected drug poisonings that occurred Jan 3rd in Owen Sound and Port Elgin. In 2 cases, individuals believed they were smoking crack cocaine and became unresponsive and required naloxone. The crack cocaine had a yellowish tinge.

Follow these harm reduction practices:

- **Don't use alone. Have a trusted, sober friend present. Call or text NORS 1-888-688-6677 if using alone.**
- **Get overdose prevention training & carry a naloxone kit.**
- **Take extra caution if mixing substances. Mixing substances can increase the risk of harm and drug poisonings.**
- **Go slow. Always start with a low dose and increase slowly, especially if trying something new or restarting use.**
- **Use only new supplies and avoid sharing supplies. This reduces the risk of getting or passing on an infectious disease. Supplies are available at GBPH and community partners.**
