| Age Group          | Products                                        | # Doses on Hand | # Doses Ordering |
|--------------------|-------------------------------------------------|-----------------|------------------|
| 6 months and older | Fluzone®<br>OR<br>Fluviral®<br>OR<br>Flucelvax® |                 |                  |
| 65 years and older | Fluzone High Dose®<br>OR<br>Fluad®              |                 |                  |

### COVID-19

**Note:** If ordering COVID-19 vaccine, you must be registered with Panorama Guided Workflow. If you have not completed this process, please do not order COVID-19 vaccine.

**When administering vaccine, please pay special attention to the product and formulation. Age ranges and dosage amounts vary.**

| Age Group            | Product (Circle one)                                                                                                                             |  | # Doses on Hand | # Doses Ordering |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|--|-----------------|------------------|
| 6 months to 11 years | Spikevax® (Moderna)                                                                                                                              |  |                 |                  |
| 12 years and older   | Spikevax® (Moderna)<br>OR<br>Comirnaty® (Pfizer BioNTech)<br><b>(NOTE: Age ranges and dosage amounts vary based on product and formulation.)</b> |  |                 |                  |

Request Vaccine Transport (please select): ☐ Delivery ☐ You will Pick up at Public Health

**If pick-up is requested, please indicate date & time. (must be minimum 48 hours after order is placed):**

---

Reminder: all cold chain failures (temperatures found outside of the +2.0°C to +8.0°C range) must be reported immediately to the Grey Bruce Public Health nurse responsible for your facility. Until the efficacy of your vaccine has been determined by this nurse, you must not administer any of this vaccine.

**Please allow one week for processing vaccine orders.**

**Please attach temperature logs with orders.**
